**Re: U.S. Patent Application of Infantolino et al Entitled
SEMICONDUCTOR CHIP MODULE AND METHOD OF
MANUFACTURE OF SAME, Serial No. 10/660,261, Filed
September 11, 2003, Confirmation No. 5053
IBM Docket END920020084US2 (IEN-10-5695-D1)**

Dear Sir:

The undersigned has received a Notice of Allowance dated January 29, 2004 in connection with the above entitled patent application. The due date for payment of the issue fee is April 29, 2004. Although the projected publication date set by the Patent Office in the filing receipt is March 25, 2004, it seems unlikely that publication will take place in view of the issuance of the notice of allowance. However, a charge for such publication has been included on the allowance and fee transmittal forms.

We were advised by the Issue Branch that the publication fee was required to be paid along with the issue fee to insure issuance of the patent, and that a letter explaining the excess charge should be submitted with the fee transmittal form, and the Patent Office would then credit Deposit Account 09-0457 in the amount of three hundred dollars (\$300.00).

Accordingly, it is hereby requested that such credit be issued.

Respectfully submitted,

William N. Hogg, Reg. No. 20,156
